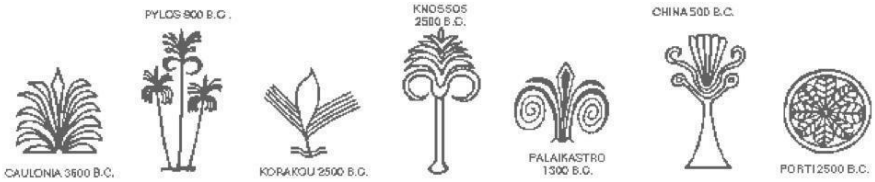
THE PALM REPORT

Fall Palm Show & Sale 2026

Sommieria leucophylla ‘Elegans’



Dear Palm Enthusiasts,

Welcome to the 42nd South Florida Palm Society Annual Fall Show and Sale.

We are excited to be back at Fairchild Tropical Botanic Garden! What a perfect setting for our sale, with Fairchild's incredible collection of tropical plants.

This is the sale where uncommon palms and cycads are commonplace. Our growers are offering over 300 plants for sale. Our local growers can help you find the right plant for your home. If you can't decide, then buy a few. (This is my problem)

We have palm tours scheduled for both Saturday and Sunday, conducted by SFPS members. On Saturday, we have palm tours at 12:30 pm and 2:30 pm. On Sunday, our tour will be at 12:30 pm.

Also, Fairchild is a wonderful place simply to stroll about. Nearby attractions are the Victorian Lily pond, the vine pergola, and the succulent gardens. Lunch is available in the Glasshouse café.

So, enjoy our sale and the rest of Fairchild Gardens.

Thank you for joining us!

The South Florida Palm Society (SFPS) is a not-for-profit organization whose mission is to disseminate information about and encourage interest in palms. The South Florida Palm Society uses its funds to help support local botanical gardens, individual scientific research expeditions or projects, conservation, planting projects and educational efforts. The horticultural society was reincorporated in 1982, but dates back to 1955.
