

The South Florida Palm Society (SFPS)

THE PALM REPORT

Fall Palm Show & Sale 2025

Painting by Linda Apriletti, A Day on the Waccassassa River. She will be offering her beautiful paintings for sale at our Annual 2025 Fall Palm Show and Sale.

Welcome to the South Florida Palm Society Annual Fall Show and Sale.

We have something for everyone! Our growers offer a wide selection of palms and cycads with 430 species to choose from, ranging from common, to hard-to-find and next to impossible to find, for the real plant collectors.

Take advantage of the wisdom from growers, as they can share their insights in selecting the right plant for your garden/collection. Lessons I've learned the hard way, is to step up palms into larger pots and be in no rush to plant out your new plant.

This year, we are really fortunate to have local artist, Linda Apriletti, share with us her beautiful paintings. Linda has shown her artwork in solo exhibitions, including at Everglades National Park, Big Cypress National Park, Museum of the Everglades, and Biscayne Nature Center, and many group settings. She paints by going on location to immerse herself in the beauty that surrounds her.

And we have palm tours scheduled for both Saturday and Sunday, conducted by SFPS members. There will be morning tours, at 11:00 am and afternoon tours at 2:00 pm.

We are planning to have our spring sale at the University of Miami on March 7 and 8. Also, we will be working closely with UM to expand their Palmetum with more palms donated by SFPS and our members.

We are committed to raising awareness of palms in the landscape, public places and in their natural habitat. We need your support. Please join SFPS. We are looking ahead to 2026 with exciting presentations at our meetings, our Spring and Fall garden tour, and 2026 Spring Palm Show and Sale at UM. And we'll be back for another Fall sale at Fairchild.

Sincerely,

David Lord

President, South Florida Palm Society

Vendors

Linda Apriletti, Artist
Ellis Brown
Ron Croci
Jeff DeMott
Garin Hamilton-Jones

The South Florida Palm Society (SFPS) is a not-for-profit organization whose mission is to disseminate information about and encourage interest in palms. The South Florida Palm Society uses its funds to help support local botanical gardens, individual scientific research expeditions or projects, conservation, planting projects and educational efforts. The horticultural society was reincorporated in 1982, but dates back to 1955.
