Election of directors are held at the holiday party. The election typically occurs after dinner and before the auction. The directors are elected for a three-year period term. One-third of the director positions come up for election.

According to our by-laws: "Nominations for the Board of Directors shall be made in person at the election meeting, or in writing, by a member in good standing, to the Secretary, prior to the election meeting. Nominations made in writing must be accompanied by the written consent of the proposed candidate to serve if elected, and must be seconded in writing by another member."

Directors are expected to attend board meetings which typically occur on the first Monday of odd-number months. They are critical to our Society as they approve expenditures, recommend activities, such as palm sales, garden tours and meeting speakers. They also help plan and assist in the holiday party in December.
